

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

This is to communicate that Par Pharmaceutical, Inc. is conducting a drug recall of Vasostriect® 20 Units per 100ml 10 pack carton. Par Pharmaceutical assay results from the 3-month and 6-month stability intervals exceed the upper specification limit of 105.0%. This recall is being conducted to the **hospital/clinic level**. All locations which have received direct shipment of these lots from Par Pharmaceutical, Inc. have been sent a recall notification packet. Our records indicate that you have received shipments from these lots between 06/26/2023 and 08/30/2023. Please examine your inventory immediately to determine if you have any quantities of these lots remaining.
