

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

Prenatab Rx Tablets 12JAN2022

Product	Pack Size	Strength	UPC Code on bottle	Lot #	Expiry Date
Prenatab Rx Tablets	90 Count Bottle	29-1 MG	60258-193-09	108758	08/2024

Currax Pharmaceuticals LLC is initiating a recall on a specific lot of Prenatab Rx Tablets due to tablet misbranding to the **retail** level. The nature of the misbranding consists of some tablets in lot number 108758 being incorrectly marked with CYP194 instead of the correct marking CYP193. The tablets with the incorrect marking CYP194 have been verified as being the correct product (Prenatabs Rx Tablets) and pose no patient safety risk. All products were manufactured by Currax DBA Cypress and distributed solely under the manufacturer's label.
