

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

Dr. Reddy's is initiating this recall as a precautionary measure due to out-of-specification results observed in dissolution test in the subject lot of Lansoprazole Delayed Release ODT during long term stability testing.

Product Name	Lot Number	Expiration date	NDC Number
Lansoprazole Delayed Release Orally Disintegrating tablets (ODT), 30mg, 10 x 10 blister count	T2000645	07/2022	43598-561- 78

Risk Assessment: Due to higher dissolution results, the therapeutic concentration of the drug may fluctuate marginally during the day. However, it may not alter the therapeutic benefit and is unlikely to cause any serious adverse effects to the patients consume the subject lot.

The product's distribution dates: February 19, 2021
