

Product Recall: BTREX PLUS Recall

Domel is communicating a voluntary Recall of the Btrex Plus Product lot number 30636, Expiration Date 01. 2022, UPC 05380930801.

This recall was initiated because damaged tablets (cracked, crumbled) in product reserves inspected were found. Although no potential health hazard is expected, this recall is being conducted as a precautionary measure.

The Board of Pharmacy strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.
