

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

Teva Pharmaceuticals USA, Inc. is recalling Metoclopramide to the RETAIL level. This recall was initiated due to potential risks related to microbial recoveries found during historical assessments of Environmental Monitoring results in aseptic areas of manufacturing. Since Cardinal Health Private Label purchased the Metoclopramide lots to repackage, it is necessary for us to recall the repackaged Assist bags of 5s repackaged from the affected lots. This item was first shipped 10/07/2020. This recall affects the lots listed below remaining in distribution.

**Product: Metoclopramide 10mg/2mL, VL (Assist Bags of 5s)**

**CIN #: 3562709**

**NDC: 55154-0450-5**
