

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

**Regenecare HA Wound Care Gel, 3 oz. tube**

**NDC 66977-107-03**

**Lot 41262**

**Expires: 1/21**

MPM Medical LLC is recalling the above mentioned drug product lot. The company recently received a complaint regarding visible contamination of a tube of Regenecare HA Gel Lot 41262. Further investigation has revealed that some tubes of this lot may have been contaminated by bacteria identified as *Burkholderia cepacia*. *B. cepacia* is an opportunistic human pathogen. This recall is to the retail level.
