

*The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.*

This is to inform you that we have initiated a product recall involving the following ten lots of compounded product that was manufactured at AnazaoHealth Corporation's Las Vegas, Nevada facility of Thiamine HCl 20mg / Pyridoxine HCl 100 mg/mL Injection Solution (30 mL Amber Glass Vial, Multi-Dose).

AnazaoHealth is recalling the above ten lots due to potential particulate formation. Visible particulate was found during the reexamination of retained units. The intramuscular administration of injectable products containing particulate matter may result in local irritation or swelling. AnazaoHealth has not received any complaints or reports of adverse events associated with the product lots listed below.
