

The Board of Pharmacy has received notice of the following product recall:

Product Name	Description	NDC	Batch/Lot	Expiry Date
Anagrelide Capsule USP	0.5mg 100 count	13668-453-01	BFE2E003	8/31/2020

Torrent Pharmaceuticals Limited is initiating a recall of Anagrelide Capsule USP, 0.5mg to the Retail level. This recall is based upon a high out of specification impurity result detected during routine stability testing for this batch. Considering all available information, it is determined that the increase in impurity would not have a clinically significant impact on safety and efficacy. There were no adverse event or product complaint cases received for this batch. Hence, based on available data, there is a minimal chance of health hazard.

The Board of Pharmacy strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.
